

Throw Overboard Liferaft, Type Dk 25

Throw overboard VIKING liferaft for 25 persons is mainly used for commercial vessels, fishing vessels, passenger vessels or offshore installations. The throw overboard liferaft is released from its cradle and thrown overboard, or slides automatically when released. Once waterborne the liferaft inflates on a hard pull of the painter line and is then ready for boarding.

Liferafts are stowed in rigid fiberglass container as per the attached drawing and approved by DNV-GL in accordance with SOLAS/MED requirements and the relevant flag state approval. Will be delivered complete with emergency pack Solas A or B. VIKING throw overboard liferaft type has a high durability with an expected lifespan of 15-20 years.

Specifications:

- Capacity: 25 pers;
- Weight (in container) A Pack: 172 kg;
- Length (in container): 1385 mm;
- Diameter (in container): 790 mm;
- Length (open): 4076 mm;
- Width (open): 4426 mm;
- Height (open): 1785 mm;
