

Product code: 1012103100

Knotted lifeline

Knotted Lifeline is intended for boarding to the survival craft.

Lifeline is a continuous uncovered manila or sisal rope, 20 mm in circumference. Knots are uncovered fibre rope, 80 mm in circumference, knitted at distance 500 mm one from another (it is convenient to grab it with a hand).

Knotted lifeline can be of sizes from 3 m to 30 m.

Manufactured in compliance with:

- Regulation II ch III SOLAS-74 as amended, item 6.20.7 of part II RS "Rules for the Equipment of Sea-Going Ship" (2021), paragraph 6.1 6 ch. VI of LSA Code;
